

Flames of the Forest

“Thank you so much for helping to making our wedding reception so wonderful. I can't believe it was so perfect with so little effort by me - just a matter of ticking the boxes. Everyone was blown away by Flames and are still raving about the food and venue. My only complaint was that it went too fast”.

2016 Elopement Package

Flames of the Forest is a unique, magical and spell binding location for your wedding - a romantic candle lit wonderland.

Flames of the Forest offers total privacy, exclusivity and no noise restrictions.
